

Medford Village & Main Street

Historic Medford Village's quaint Main Street is lined with unique gift shops, boutiques, restaurants and cafes, and Medford's Art Center which attracts visitors from throughout the area. Here you can stroll the brick sidewalks lined with old-fashioned gas lights and shade trees, take a turn around the block to explore Victorian era homes or rest your feet at one of the many fine eateries. Medford features a variety of restaurants, from historic, four star Braddock's Tavern to family pizzerias, with mid-priced establishments to suit every taste. Third Thursdays from September through June feature music in Tomlinson Park and at the downtown Gazebo and evening hours in the stores.
