## Message from the Mayor

Welcome to our new e-newsletter the Medford Messenger. The name for the newsletter comes from the newsletter that was mailed to residents several years ago, but the thoughts and comments are new. The Medford Neighborhood Services Advisory Committee (NSAC), with input from residents from a survey conducted last year, deserve our appreciation in putting all this together. Important links, current events, and messages from town Council, or other departments, will help our residents find important information. NSAC along with all of Council would love your feedback and suggestions for future editions. Council email addresses are on our website and as always feel free to reach out to any of us on any topic of concern.

Chuck Watson, Mayor
