Brush placed at the street for collection outside of these collection dates will not be picked up.

Brush shall include the pruning of trees, shrubs, bushes or vines, but exclude grass clippings, flowers, weeds, tree trunks, stumps and leaves. If the excluded items are mixed with the brush, the material will not be collected. All brush must be piled neatly at the edge of the property and cannot be placed in any roadway or sidewalk. Brush should not exceed 4-6 feet in length, and should not be any larger than 6 inches in diameter.

HUNTING PROHIBITED ON ALL TOWNSHIP PROPERTY

Per The Township's Administrative Code #109-3 (Parks & Playgrounds), it is prohibited to "hold, possess, or use any firearm or weapon in or within 300 feet of any park, playground or open space area," and "molest, trap, capture or hunt, remove, injure or kill any animal or disturb its habitat, except in portions of any park or open space area designated as open for fishing." Township property has been posted and hunting restrictions will be enforced.

TROUT SEASON IS NOW OPEN!

Anglers of all ages can now head to their favorite fishing spots as of last month.

The Pequest Trout Hatchery has stocked New Jersey waterways with more than 180,000 rainbow trout. This includes the southwest branch of the Rancocas Creek in Medford. Public fishing access is available in Medford Park (entrances off of Mill Street and Gill Road/Allen Avenue), in Tomlinson Park at the corner of South Main Street & Allen Avenue, along the Creek from South Main Street to Branch Street (no vehicles on the trail please!), and at Kirby's Mill on Church Road.

For an interactive map of all stocked fresh waterways in NJ click visit the NJ Fish & Wildlife website or click [HERE](#).

Anyone aged 16 or older must obtain a New Jersey fishing license and trout stamp to fish for trout. For more info, visit: <https://dep.nj.gov/njfw/fishing/freshwater/buy-a-license/>.

Next month, the Medford Vincentown Rotary will be sponsoring a Fishing Derby on Saturday, June 17th in Medford/ Tomlinson Park. Since this is a State sanctioned “Take a Kid Fishing Day” event, no fishing licenses are required.

MEMORIAL DAY HOLIDAY/TOWNSHIP OFFICE HOURS

The Township Offices, including the Township DPW Yard, will be closed on Monday, May 29th in observance of Memorial Day. Trash will be delayed by one day for the holiday— Monday’s collection will be Tuesday, Tuesday’s collection will be Wednesday, Wednesday’s collection will be Thursday, Thursday’s collection will be Friday and Friday’s collection will be Saturday.

PLANNING & ZONING OFFICE HOURS ADJUSTED IN MAY

Due to staffing limitations, the Planning and Zoning Office will be closed to the public on May 5th, May 9th, May 19th & May 26th. We apologize for any inconveniences. Inquiries may be sent via email or phone, and will be answered as soon as possible.

PICKLEBALL COURTS ALMOST COMPLETED!

The four new pickleball courts are almost complete in Freedom Park! The final painting of the Courts and installation of the nets is all that remains until the grand opening!

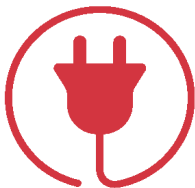

The need for pickleball courts was expressed in several public hearings when the Township’s Recreation & Open Space Master Plan was being developed and adopted in 2019. In response, the Township Council budgeted capital improvement project funds to construct the courts, which are located near the skatepark and community garden area of Freedom Park.

Once the courts have been officially opened, reservations can be made via the “**Team Reach®**” app. Sports Paradise, located at 99 Hartford Road, has graciously volunteered to help manage this app for the Township as we open the courts.

There will be designated times set aside for beginners, intermediates, and advanced players. Time will also be set aside for a seniors instructional program operated under the auspices of the Cranberry Hall Senior Center. When the opening of the Courts is announced, the schedule will be posted on the homepage of the Township website.

Open play is built into the schedule, and given the anticipated demand, we ask that the common pickleball courtesies be extended to waiting players. Click [HERE](#) for the Rules & Court Use Etiquette.

The date of official opening will be announced on the Township website and official Facebook page. Stay tuned!

2023 MEMORIAL DAY OBSERVANCES
PROGRAMS OFFERED ON SATURDAY, MAY 27TH AND MONDAY, MAY 29TH

The Township Council & Medford VFW Post #7677 are pleased to announce that they will hold Medford’s Annual Memorial Day Parade & Observances on **Monday, May 29th**, beginning at 11:00 a.m.

As a reminder, as of 2019 the Parade route has changed. The Parade will now start at Allen School on Allen Avenue near Union Street, and proceed east to South Main Street. The Parade will turn left onto South Main Street; stopping briefly at the War Memorials adjacent to the Medford Memorial Community Center at 26 South Main Street to raise the flag, present a wreath and offer a 21-gun salute. The Parade will then re-start and continue north, turning left on Union Street. The Parade concludes in Freedom Park at 86 Union Street. The ceremony will start immediately at the conclusion of the Parade in Freedom Park.

Parade participants will include members of the VFW Post #7677, the Shawnee High School Marching Band, the Medford Police Department, Medford EMS, the Union & Taunton Fire Companies, the Nam Knights, the Civil Air Patrol-Air Victory Museum Composite Squadron. Medford Masonic Lodge #178, the Warrior Watch Riders, as well as many other public safety representatives and military re-enactment associations from neighboring communities.

This year’s Grand Marshall is William (Bill) J. Dorman. He served in the US Air Force for 13 years from 1947-1960 as a Platoon Sergeant, Management Instructor, and Management Consultant in the US, Okinawa and Alaska; including the Air Defense Command/NORAD at Ent AFB in Colorado Springs. After his service concluded, Sgt. Dorman also developed strategic plans, product and business opportunities while employed at Bausch and Lomb Scientific Instrument Division in Rochester and the ITEK Corporation of Rochester and Boston, MA. Bill then went on to Found the Dorman Management Consulting firm in the mid-1960’s. He has traveled extensively throughout the US, Europe, Norway and Brazil assisting Fortune 1000 clients in developing new business and products. Upon retirement, he was an Adjunct Professor at the Wharton Business School for five years. He has also developed and led adult discussions about Emotional Intelligence for six years, and remained active in community service with his Church, Boy Scouts, Girl Scouts, Music, Baseball, Ice Hockey and Golf throughout his life.

The Township Council invites and encourages Veterans to march in the Parade or join them in a vehicle. Local Scout troops and civic organizations who wish to march in the parade are also encouraged to do so and should contact the Beth Portocalis at the Municipal Offices (bportocalis@medfordtownship.com) or by calling 609-654-2608 x330. Also, participation in the parade on decorated bicycles is highly encouraged. Bikers should report to the Allen School staging area by 10:45 a.m., and must wear safety helmets.

Preceding the Memorial Day observances, on **Saturday, May 27th**, VFW Post #7677 is planning to perform memorial services at each of the three Medford Township cemeteries east of Main Street (Family Ministry at Branch and Filbert Streets, the Baptist Cemetery and the Odd Fellows Cemetery) in the usual sequence, commencing at noon. The small gated cemetery on Stokes Road @ Himmelein Road is also included. Accordingly, the Parade route on Monday will not include stops

FIELD OF HONOR RETURNING TO FREEDOM PARK THE WEEK OF MEMORIAL DAY

On Friday, May 26, 2023, Rotarians and community volunteers will erect over 325 full-size American flags on 7.5’ flag poles in Freedom Park—in perfectly symmetrical rows. Medallions will be placed on flags with details of the nominated “heroes.” The Field of Honor® will remain for a full week, from May 26 through June 4, 2023. The Medford Sunrise Rotary organizes the Burlington County Field of Honor® each year to honor those who served—and currently serve—their community and our country. Each year during the week over Memorial Day, this inspiring and memorable display draws together residents of Burlington County to honor the heroes who have touched our lives and served our community and our nation.

The Medford Sunrise Rotary held the county’s first Field of Honor® over Memorial Day week, 2019. Hundreds of people have since sponsored a flag in the name of a person whom they nominated as having exhibited Service Above Self. Each full-sized American flag is sponsored by a resident, business or Rotary club in honor of a hometown hero: perhaps a family member who gave their life in service to our nation; perhaps a first responder who saves lives and touches our community every day; maybe a beloved family member or friend who currently wears a uniform to keep our nation safe or honoring people who demonstrate Service Above Self by touching the lives of others.

MEDFORD TOWNSHIP’S OPEN SPACE & FARMLAND PRESERVATION PROGRAM

Since 1990, over 3,300 acres of parks & open space and almost 2,400 acres of farmland have been permanently preserved in Medford.

The Township Council has leveraged a combination of State Green Acres Funds, State Farmland Preservation Funds, County Open Space funds and County Farmland Preservation funds with the Township's Open Space tax in order to determinedly preserve these areas as deed-restricted farms or open space in perpetuity.

The Township Council has also willingly partnered with non-profits such as the Rancocas Conservancy, Woodford Cedar Run Wildlife Refuge, and other land preservation entities including the NJDEP Division of Parks & Forestry in their efforts to preserve open space and farmland, either through outright purchase or the purchase of development rights.
