Important Notice to Customers

November 1, 2024

The NJ Department of Community Affairs (DCA) has implemented a Winter Termination Program to prevent service discontinuation for eligible residential customers receiving residential electric, sewer and water service from a local authority, municipal utility, or rural electric cooperative from November 15th through March 15th.

Regardless of the DCA program, the Policy of the Mantua Township Municipal Utilities Authority is to NOT shut off municipal water service to any residence from November 15th through March 15th.

If able, customers should continue to pay their utility bills during the Winter Termination Program as they will remain responsible for all charges once the program ends on March 15th.

- For more information about the NJ Department of Community Affairs Winter Termination Program, please follow the link below:
