Rachel Warrington – Tax Collector
Township of Medford
49 Union Road
Medford, NJ 08055
Dear Rachel:

On behalf of American Solutions for Business, I would like to address the misprint in the verbiage printed on the Final 2026/Preliminary 2027 Original tax bills.

American Solutions for Business has worked with the Township of Medford for many years providing not only tax bills but a plethora of forms, envelopes, etc. and we have never had a misprint. Unfortunately, and with great regret, we did this year. The same copy was used for both the Advice and the Original copies of the bills minus the red advice language. Regrettably, this has caused confusion with your township as the original bill should state "detach and pay" but instead this year it states "this is not a bill". While not everyone will take notice to this error, we do, and we sincerely apologize for any confusion this oversight and misprint has caused.

In an effort to rectify the situation, American Solutions for Business will be issuing the Township of Medford a refund for the original bills that were produced in error in the amount of \$993.13 (see separate refund letter we sent today).

We hope and look forward to continuing our working relationship alongside Township of Medford and again, please accept our deepest apology.

Jim Athey - ASB account representative
